*Message from Co-Presidents*

MARCH is the month to celebrate St. Patrick's Day on March 17th. Saint Patrick is the patron Saint of Ireland, born in Roman, Britain in the late 4<sup>th</sup> C. He was kidnapped at the age of 16 and taken to Ireland as a slave. He escaped, but returned in 432 CE to convert the Irish to Christianity. Many legends grew up around him, example, that he used the Shamrock to explain the Trinity. Irish and non-Irish commonly participate in the wearing of the GREEN on this day. Corn beef and cabbage as well as and dyed green beer are associated with this holiday . March 17<sup>th</sup> has evolved into the celebration of Irish culture, parades, music, dancing, special foods and a lot of GREEN. More than 100 St. Patrick Day parades are held across the United States; New York City and Boston are home to the largest celebrations. This is a good day to enjoy Irish traditions, green food, and green drinks!!!

Our **2ND ANNUAL "SIP, SAVOR, SUPPORT" Fundraiser** was held on February 24, 2022 at Pine Lake Country Club. We will have lots of pictures to share, and information about the night in our next Newsletter. We are so Thankful to Mr. & Mrs. Messer, from Messer Financial Group, for supporting our Fundraiser and supplying all the food at this event. We, also, want to Thank our other Corporate sponsors: MH Novant Health, Ellison Technologies, and the Mint Hill Times. Many more people and organizations will be thanked in the MHWC April Newsletter.

As always, Andree and I, are so appreciative of ALL the hard work, donations, and support the BOARD and MEMBERSHIP give us. We need you ALL, and it is A Team that works together to make each event a SUCCESS!!!

Sincerely,

Marilyn Fargo & Andree West

# February Meeting Recap

The **Mint Hill Women's Club** was privileged to have three Medical Doctors from MH Novant Health speak to us at our February Membership Meeting. Doctor Sumit Kalra, Cardiologist, Kaustubh Dabhadkar, Cardiologist, and Kara Mia Villaneuva Stratton, OB/GYN were very informative. They were helpful in answering our members questions, and explaining things in lay-men's terms. Thanks to Tammy Brooks for scheduling these Medical Doctors to speak to us about women's heart and health issues.

## February Lunch Bunch

18 ladies enjoyed brunch at the new Stevens Mill Café on Thursday, Feb 17th. Food was delicious and the fellowship outstanding.

# Sip Savor Support

This is a brief recap of our event last evening. By all accounts, it was a huge success. We had a record number of ticket sales at 193, a 15% increase and grossed more than \$21,000 with 102 merchants, 35 of which donated to us for the first time. We know our guests enjoyed themselves as they were in no rush to leave anytime soon. Many thanks go out to our Fundraising team as well as the 30+ member volunteers who gave up part of their evening to perform some task at hand. Marilyn and I can't thank all of you enough for your help. We truly have a wonderful group of women. We are also fortunate that Roy Messer, Messer Financial Group, in conjunction with Pine Lake's incredible staff provided our guests with an evening they will remember for a long time. We will go into more detail about the night at our next meeting and newsletter. Here are a few pictures taken while we were setting up.

We need a few people familiar with mail merge to print our thank you letters and address envelopes. Paper, envelopes, and stamps will be provided. Please reach out to Andree if you are able to do this.
