Game Night Monday July 13th-6pm

Lunch Bunch-TBD

The month of May is named after Maia, the Roman Goddess of Fertility, and it's the month that celebrates the blossoming buds of flowers as nature prepares itself for Summer.

As we continue to practice social distancing, make sure we pause to smell the flowers and reflect on the priorities in our lives. We will be stronger when this is over.

Announcements

The 45th Anniversary Tea has been postponed until later this Summer due to the distancing guidelines. As soon as we have some inkling of when large groups can gather, we will secure a date. More than likely, it will take place in August. We will try to schedule it in lieu of the lunch bunch. So far, 24 ladies have purchased their tickets. Those of you who paid, but know you would not be able to attend in August, can do one of two things. Request your \$10 be applied to your annual dues (\$20) or request your money be returned to you. Deonna Bandos (704-900-4613) is handling the monies.

There were a few checks written. Those will be deposited in the bank after May 4th. If you want your check refunded or voided, please contact Deonna by May 2nd.

At this time, we are anticipating being able to host the game nights during the Summer. We will need to do more distancing and probably use the flex room as well as the conference room to accommodate everyone.

We will start collecting our Annual Dues of \$20. You can send your check made out to MHWC to Cheryl Reid, 6411 Robin Hollow Dr, Mint Hill 28227

Message from Co-Presidents

We hope all of you are well and safe. Due to the social distancing guidelines, we will not have any activities during the Month of May. At this time, we are hopeful that we will be able to induct our new board in June at Game Night. Please know that all of us are working behind the scenes to ensure we are able to pick up as soon as restrictions are lifted. We are also encouraging our outgoing board members to contact their incoming replacements via telephone, or some sort of teleconferencing mechanism. As a board, we have met via Zoom and will continue to do that for our monthly meetings until further notice. Marilyn and I will be meeting with the new VP and Service Chairs as well.

We would also like to thank our membership for participating in the election and allocation of funds. We are well aware that this format was less than ideal and we hope to never need to repeat it.

A decision was made to transfer funds allocated to 2nd Harvest Food Bank to Servant's Heart to ensure the monies will stay in the local community.

Donations sent out in March and April

These donations to our community are a direct result of the sponsors, vendors, and guests that participated in our Sip, Savor, Support fundraiser. Over the course of the next couple of months, we will continue to send out checks to the organizations in our community. We have posted the sponsors and vendors on page 5 and 6 of this newsletter. Please thank them by patronizing their businesses during the year.

\$500 was donated to the Fire Dept to use in the purchase of PPE's for the 1st Responders during this pandemic.

\$1000 was donated to Loaves and Fishes for food distributed through Servant's Heart.

\$2000 was donated to Servant's Heart for the emergency food, non-food pantry replenishment in helping additional families in need at this time.

\$500 (the balance from 2019-20 service budget) was donated for food to additional families in need at this time.

Donation Thank You's

Hello Mint Hill Women's,

Thank you for your gift of \$1,000.00. As our community comes together to stop the spread of COVID-19, we at Loaves & Fishes remain steadfast in our mission to feed our hungry neighbors. Your donation is vital in helping us serve Mecklenburg County during these uncertain times. With your support, we are more prepared to safely and effectively meet food insecurity needs in our community!

Please purchase non-perishable brands that you enjoy in regular-sized containers.

No damaged cans or expired items please. Items must be new, unopened and unused.

Highlighted items are in greater need at this time.

Servant's Heart is in need of several food and non-food pantry items to help some additional families affected by the Covid-19 shutdown. More than ever, our community is being asked to come together to help. Above is a listing of items that are usually available to families at no charge. As you can imagine, the shelves have recently been depleted. Carol Hull has volunteered to lead the grocery coupon drive for Servant's Heart. In addition to that, if you are interested, you can drop off some of these items to either her home or mine and we will get them to servant's heart for you. Carol's address is 5518 Spearmint Dr, MH 28227 or Marilyn Fargo at 13112 Ginovanni Way, MH 28227. We will be dropping off the items weekly.

Volunteers Needed

Servant's Heart is looking for a few ladies to manage and fill the pantry shelves during the year. Please contact <u>Kim@servantsheart.org</u> if you are interested in helping.

If anyone is in need of having their home sanitized according to CDC recommendations, please reach out to Jenifer Shaw <u>jenifer@minthilltimes.com</u> She can provide you with the name of a company in the local area that specializes in this effort.
