March Program

Food Safety and Quality Assurance

We welcome our March speakers, Jeff Hawley, Food Safety Manager and Lori Jenrette, Quality Assurance Private Label Supervisor for Harris Teeter corporate. Jeff and Lori will take the floor to share their knowledge on food safety and quality assurance. They will unravel what the various types of food labels and dates really mean – ‘best by’ or ‘use by’ or ‘good until’ and more.

Jeff will discuss his role as Food Safety Manager including labeling regulations for retailers, food safety basics, internal temperature controls, avoiding cross contamination along with tips on cleaning and sanitizing in the home.

Lori will review some aspects as a Quality Assurance Private Label Supervisor which encompasses product recalls, product complaints, and causes, vendor requirements for private labeling and nutritional concerns including allergens.

A few different treats will be provided during their presentation for our enjoyment as well as for information.

Service – Loaves & Fishes

We collected non-perishable food for Loaves & Fishes-Wilson Grove Baptist food pantry. Loaves & Fishes is a non-profit emergency food pantry program which provides a week's worth of groceries to people in crisis in Mecklenburg County. It began in 1975, with single pantry which fed approximately 1,000 people. Since 1975, it has grown to a network of 19 pantries and served 105,015 people in 2013. Pictures of Sarah Baker and Jane Price's delivery will appear in April Newsletter.
